

**Restorative Practice:**

- Restorative Practice underpins all interventions.
- Reflection forms will be filled out by students so that their student voice is respected and listened to and to allow for self-reflection following an incident.

Please see a copy of the form below:

*Hopefully having now addressed this issue you have learnt that inappropriate behaviour results in consequences.*

*Thank you for helping us understand the situation/incident.*

*After we have reflected on all of the information we have gathered, we will discuss it with you. We will then draw a line under the incident, having learnt from it, and move on.*
