

SO... WHAT DOES 17 DAYS AT ELC ACTUALLY LOOK LIKE?

17 days might sound like a long time but time flies when you're having ELC fun. A typical day is a mix of language learning, sport, activities, competitions, socialising and making memories.

MORNING TIME TO LEARN

The day starts with engaging language classes, students are split up by age & level. Following the Irish curriculum we prepare students for the junior & leaving cert. Teachers are native or qualified Irish teachers who support students & make learning fun

AFTERNOON GAME ON!

Once lessons are finished and lunch is had. It's time to get competitive. At ELC we make sure we provide activities suited to every type of student, that includes, sports, boardgames arts and crafts, and mindfulness. It's impossible to be bored.

EVENING LET'S GET CREATIVE

After a delicious dinner we are on to the evening activities. There are discos, casino nights, quizzes, film activities, eurovision, horror night, talent shows and much more (see below). After the fun of the evening activities and supper together students are ready for bed & to do it all again the following day!
